## ABOUT ME

*I am a web developer with a vast array of knowledge in many different front-end and back-end languages, responsive frameworks, and best coding practices.*

*I am dedicated to perfecting my craft by learning from seasoned developers, helping other developers and designers where possible, and continuously making strides to learn all that I can about development. While studying at Madison College I earned degrees in both Applied Arts and Development, and I believe my understanding of design, problem solving, and the ability to read/write in multiple coding languages will continue to contribute to my overall success as a developer.*

## SKILLS

- HTML 5, CSS, Bootstrap 4&5

## EXPERIENCE

### Full Stack Web Developer

*Cheramy Story Arts and Marketing / McFarland WI / Apr 2022 - Present*

Built and maintained multiple websites for clients ranging from ECommerce sites, Hospitals with large employee databases, and School websites with user portals.

- Created and maintained several Ecommerce shops using Eshop, WooCommerce, and DJ Catalog plugins.
- I wireframed and constructed multiple front-end layouts using custom HTML and CSS along with page builders like Impreza, Avada, YOOTheme, and SP Page Builder.
- Took the lead on many different accounts when it came to customer service to rapidly answer clients' questions and needs to update their sites content on a day-to-day basis.

### Small Format Account Representative

*WP Beverages, Pepsi-Cola / Windsor WI / Oct 2017 – Apr 2022*

Using databased inventories, I kept accounts fully stocked with products without overloading inventories and causing out of date products.

- Worked with store managers and owners to bring in new product shippers and displays to meet our market goals
- Maintained several account inventories and on floor products to prevent out of stock items on shelves while also preventing out of date product issues.

### Store Manager

*Bills Food Center / Oregon WI / Sept 2004 – Oct 2017*

Managed a team of employees to accomplish multiple tasks to maintain maximum efficiency.

- Managed and lead teams on several projects simultaneously to achieve our daily tasks without cutting corners or skipping projects to meet the daily deadlines.
- Worked with Sales Vendors to bring in new products and build new displays in key locations to increase overall sales
- Respectfully handled difficult customer situations without escalating the situation.
